Lot 11 Wether scratch

DOB: Feb

Wizard x Ego. This lamb is bred just like the Champ Light Wt Division Market Lamb at the 2010 MN State Fair FFA Show. Last year Wizard also sired the Res Lt Wt Division Champ at the Omsted Co. Fair FFA Show(MN)and several county fair Grand and Res Champs. Prior to our purchase of Wizard, he sired Dean Caven's (OH) high selling wether for \$3000 to CA in 2009. This wether is a stout, powerful built lamb with plenty of muscle that should be competitive all summer.

Lot 12 Wether 71lb \$300.00

DOB: Jan

Kyle Govin; Menomonie, WI

Sired by Team Johnson 1184, a LSU son purchased from Team Johnson in OH last summer. "1184" is the grand sire of the Res Market Lamb at Louisville in 2009 and sire of the Titlist ram at stud for Rules in Iowa. This wether is a big framed, tall fronted lamb with tons of extension and look!

Lot 13 Wether 50lb \$225.00

DOB: Jan

Jeconiah Beyrer; Colfax, WI

Big Block x Dead Dale. We leased Big Block out of NM last summer to bring some of the power and dimension available from the Duffey bloodlines. Big Block is a double bred Leo, sire of three consecutive Denver Grand Champ Market Lambs. This wether got off to a slow start and needed to be grafted onto another ewe. Since then, he has improved quickly. Expect this wether to continue to bulk up with more time on feed.

Lot 14 Wether 45lb \$350.00
